

Chapter One: Rendering Baseline

This page exists to check the PDF rendering pipeline end to end.

The text below is a real text layer, so selection and search can be exercised.

Line spacing, margins and the fit mode are what to look at first.

Chapter Two: Text Layer

A searchable phrase lives on this page: needle-in-haystack.

Selecting this paragraph should raise the selection toolbar.

Copy should put the selected text on the clipboard.

Chapter Three: Long Page

Third page filler line 1: plain body text so the page has something to scroll and reflow.

Third page filler line 2: plain body text so the page has something to scroll and reflow.

Third page filler line 3: plain body text so the page has something to scroll and reflow.

Third page filler line 4: plain body text so the page has something to scroll and reflow.

Third page filler line 5: plain body text so the page has something to scroll and reflow.

Third page filler line 6: plain body text so the page has something to scroll and reflow.

Third page filler line 7: plain body text so the page has something to scroll and reflow.

Third page filler line 8: plain body text so the page has something to scroll and reflow.

Third page filler line 9: plain body text so the page has something to scroll and reflow.

Third page filler line 10: plain body text so the page has something to scroll and reflow.

Third page filler line 11: plain body text so the page has something to scroll and reflow.

Third page filler line 12: plain body text so the page has something to scroll and reflow.

Third page filler line 13: plain body text so the page has something to scroll and reflow.

Third page filler line 14: plain body text so the page has something to scroll and reflow.

Third page filler line 15: plain body text so the page has something to scroll and reflow.

Third page filler line 16: plain body text so the page has something to scroll and reflow.

Third page filler line 17: plain body text so the page has something to scroll and reflow.

Third page filler line 18: plain body text so the page has something to scroll and reflow.

Third page filler line 19: plain body text so the page has something to scroll and reflow.

Third page filler line 20: plain body text so the page has something to scroll and reflow.

Third page filler line 21: plain body text so the page has something to scroll and reflow.

Third page filler line 22: plain body text so the page has something to scroll and reflow.

Third page filler line 23: plain body text so the page has something to scroll and reflow.

Third page filler line 24: plain body text so the page has something to scroll and reflow.

Chapter Four: Reflow Depth

Fourth page filler line 1: plain body text so the page has something to scroll and reflow.

Fourth page filler line 2: plain body text so the page has something to scroll and reflow.

Fourth page filler line 3: plain body text so the page has something to scroll and reflow.

Fourth page filler line 4: plain body text so the page has something to scroll and reflow.

Fourth page filler line 5: plain body text so the page has something to scroll and reflow.

Fourth page filler line 6: plain body text so the page has something to scroll and reflow.

Fourth page filler line 7: plain body text so the page has something to scroll and reflow.

Fourth page filler line 8: plain body text so the page has something to scroll and reflow.

Fourth page filler line 9: plain body text so the page has something to scroll and reflow.

Fourth page filler line 10: plain body text so the page has something to scroll and reflow.

Fourth page filler line 11: plain body text so the page has something to scroll and reflow.

Fourth page filler line 12: plain body text so the page has something to scroll and reflow.

Fourth page filler line 13: plain body text so the page has something to scroll and reflow.

Fourth page filler line 14: plain body text so the page has something to scroll and reflow.

Fourth page filler line 15: plain body text so the page has something to scroll and reflow.

Fourth page filler line 16: plain body text so the page has something to scroll and reflow.

Fourth page filler line 17: plain body text so the page has something to scroll and reflow.

Fourth page filler line 18: plain body text so the page has something to scroll and reflow.

Fourth page filler line 19: plain body text so the page has something to scroll and reflow.

Fourth page filler line 20: plain body text so the page has something to scroll and reflow.

Fourth page filler line 21: plain body text so the page has something to scroll and reflow.

Fourth page filler line 22: plain body text so the page has something to scroll and reflow.

Fourth page filler line 23: plain body text so the page has something to scroll and reflow.

Fourth page filler line 24: plain body text so the page has something to scroll and reflow.

Fourth page filler line 25: plain body text so the page has something to scroll and reflow.

Fourth page filler line 26: plain body text so the page has something to scroll and reflow.

Chapter Five: Deep Target

The deep target phrase sits on the fifth page: needle-deep.

Fifth page filler line 1: plain body text so the page has something to scroll and reflow.

Fifth page filler line 2: plain body text so the page has something to scroll and reflow.

Fifth page filler line 3: plain body text so the page has something to scroll and reflow.

Fifth page filler line 4: plain body text so the page has something to scroll and reflow.

Fifth page filler line 5: plain body text so the page has something to scroll and reflow.

Fifth page filler line 6: plain body text so the page has something to scroll and reflow.

Fifth page filler line 7: plain body text so the page has something to scroll and reflow.

Fifth page filler line 8: plain body text so the page has something to scroll and reflow.

Fifth page filler line 9: plain body text so the page has something to scroll and reflow.

Fifth page filler line 10: plain body text so the page has something to scroll and reflow.

Fifth page filler line 11: plain body text so the page has something to scroll and reflow.

Fifth page filler line 12: plain body text so the page has something to scroll and reflow.

Fifth page filler line 13: plain body text so the page has something to scroll and reflow.

Fifth page filler line 14: plain body text so the page has something to scroll and reflow.

Fifth page filler line 15: plain body text so the page has something to scroll and reflow.

Fifth page filler line 16: plain body text so the page has something to scroll and reflow.

Fifth page filler line 17: plain body text so the page has something to scroll and reflow.

Fifth page filler line 18: plain body text so the page has something to scroll and reflow.

Fifth page filler line 19: plain body text so the page has something to scroll and reflow.

Fifth page filler line 20: plain body text so the page has something to scroll and reflow.

Fifth page filler line 21: plain body text so the page has something to scroll and reflow.

Fifth page filler line 22: plain body text so the page has something to scroll and reflow.
